

# RADIOLOGIC TECHNOLOGY

---

**Major: Radiologic Technology  
(Partnership Program)**

**Additional Program Information:** <https://www.brcc.edu/academics/programs/radiologic> (<https://www.brcc.edu/academics/programs/radiologic/>)

*Possible occupations for graduates: radiologic technicians. With further training/education, graduates may specialize in CT imaging, sonography, nuclear medicine, angiography, mammography, radiation therapy, and MRI imaging.*

The Radiologic Technology program is a partnership with Sentara RMH. Students complete general education courses at Blue Ridge Community College and subsequently apply to the Sentara RMH School of Radiologic Technology.

For additional information about the Sentara RMH Radiologic Technology Program, contact the Outreach and Enrollment Office at [info@brcc.edu](mailto:info@brcc.edu) or call SRMH at 540-564-7230.
